Professional Experience

FILM COMPOSITOR , MOVING PICTURE COMPANY, LONDON - 01/2011 - RECENT

Working on Pirates of the Caribbean & Harry Potter
Nuke Compositing

COMPOSITING DEPARTMENT LEAD, REALTIME TECHNOLOGY AG, MUNICH - 03/2006 - 12/2010

Starting as 3D/2D generalist in 2006 I specialized in compositing, working on mainly fullCG projects for the automotive industry. In 2008 I became Team Lead of the 2D Team. In 2009 the comp team became a department, where I was the lead.

LECTURER, UNIVERSITY OF APPLIED SCIENCES, SALZBURG - 03/2008 - RECENT

I constantly improve my knowledge in every aspect of the industry. To give that back to the students I teach them "Color Correction & Compositing"

ASSISTANT FOR SCIENTIFIC RESEARCH, UNIVERSITY OF APPLIED SCIENCES, SALZBURG - 2005 - 2006

As a researcher I worked on implementing DVB-h on the campus in Salzburg as a test scenario for a commercial release

Education

University of applied science, Salzburg, Study of "Digital TV and interactive Services",
Diploma 2005

University of Salzburg, Study of Computer Science (2000-2001)

Grammar School, Saalfelden, A-Level 1999

Skills

- very good knowledge of Nuke, Fusion, Shake and Photoshop
- good knowledge of Maya/Combustion/After Effects
- Operating Systems: Windows, MacOSX, Basics in Linux
- Languages: English, French, Latin
